

# FETCH PARK ALPHARETTA, GEORGIA

## PROJECT DETAILS

Site and Building development of a 3-acre interactive dog/people park located in Alpharetta, Georgia. The theme of the project is the interaction of people with people, people with dogs, and dogs with people. The park had to be integrated with the outdoor buildings and structures so that people and dogs could safely and comfortably interact. The project really is a hospitality venue with food courts/bars, live music space, and beach volleyball. The dogs are very happy as well as the owner.
